Bettys: Making life lovelier since 1919

At Bettys we are in the business of creating special moments. We are world-renowned for our culinary craftsmanship, our Swiss heritage and our Yorkshire warmth. It's not only our blissfully buttery cakes, elegant afternoon teas and exceptional Grand Cru chocolates, that make us unique. Bettys is about creating a sense of occasion and belonging, whether you're in our famed Café Tea Rooms or opening a box of your favourite treats at home.

Bettys beating heart

At our Craft Bakery in Yorkshire, everything we do is dedicated to deliciousness. It's where our bakers, confectioners and chocolatiers use time-honoured skills to make treats that are uniquely Bettys.

Founded in 1919 by a young Swiss baker, Bettys is built around a team of highly trained craftspeople creating mouthwatering treats. The finest ingredients, locally sourced wherever possible, combined with

traditional skills and exacting attention to detail, go into each individual creation. Since the beginning our ethos has been to deliver Bettys specialities, fresh each day, from our Craft Bakery. So, whether you're enjoying

afternoon tea in our Café Tea Rooms, or a Fat Rascal in your own home, you know they've come from the heart of our business direct to you.
