Our Suppliers

We know how important it is to trust the quality of your food, which is why Bettys Craft Bakery is at the heart of our business, supplying our cafés with daily batches of bread, cakes, pâtisserie, and chocolate. For everything else, we build that trust through long-term partnerships with suppliers who put welfare, sustainability, and traceability at the heart of all they do. Many are Yorkshire family businesses like ours, and all share our values of craft, heritage, and innovation – and our commitment to deliciousness.

TAYLORS OF HARROGATE

Founded in 1886, our sister company Taylors has been part of the Bettys family for more than 60 years. Taylors' expert buyers travel the globe in search of the finest teas and coffees, building strong, sustainable relationships with suppliers.

ANNABEL'S STRAWBERRY PRESERVE

Our strawberry preserve is made from the most flavoursome fruits, grown seasonally on Annabel Makin-Jones' Yorkshire farm. As well as using solar energy and harvested rainwater, the farm is home to hives of bees who pollinate the strawberry flowers.

COLLET CHAMPAGNE

Established in 1921 and steeped in Art Deco elegance, Collet is the Champagne region's oldest cooperative. Only the juiciest first half press of grapes is used, resulting in crisp, balanced Champagnes that are perfect for pairing with food, especially pâtisserie and afternoon tea delights.
