

# Bettys

EST 1919

Everyone loves a good story, and our family is no different. The Bettys you see today was founded on the dreams of a young Swiss boy, Frederick Belmont. Life dealt Frederick a cruel hand: orphaned at a young age in a fire at his father's mill, Frederick was then sold to strangers as farm labour. While his story could have ended there, young Frederick had bigger ideas. He learnt the art of baking and confectionery as he travelled across Europe, before settling in Yorkshire where Bettys was born in 1919.

Over 100 years later, we are very proud to be an independent Yorkshire family business, with our third, fourth and fifth generations working together to ensure we stay true to Frederick's vision of quality, craftsmanship and attention to detail. The world has changed a lot since 1919, and so has Bettys, but our values and our passion for good service and quality remain at the heart of everything we do.

Each of our branches, just like any family, has their own distinctive personality and style, and so do the delicious dishes on our menu and the treats in our shops: we celebrate our Yorkshire roots, but draw inspiration from our continental Swiss heritage. This blend, just like our expertly blended tea and coffee, is one that is uniquely Bettys, and we hope you enjoy it as much as we do.

From our family to yours, we welcome you to Bettys  
and thank you for visiting us.

Chloë Benest  
*Fourth generation shareholder*
